Your telephone request of 9 November 1954

Attached is the list of names of Agency personnel who have attended, or are attending, the various Defense Department schools you inquired about yesterday. I have rounded off the inclusive dates in all cases, but can give you specific dates for the majority of them if you need this information. OTR records go back only to 1951. If you wish information prior to this time, let me know and we'll start digging again.
